EMERGENCY COMPLIANCE AMENDMENT (2026)

Section 2.1-A: Regional CTR Adjustments

Notwithstanding previous handbook guidelines, regional branches operating in high-risk zones must immediately apply a stricter threshold of **$5,000** for cash transactions and file CTRs within 7 business days.

Section 4.3-Sub: Tier-2 Subsidiary LCR Exceptions

For tier-2 subsidiaries, a transitional LCR buffer of **80%** is temporarily permitted through the end of fiscal year 2026, superseding standard 100% requirements upon board approval.
